# 01 | Home page

The landing page introduces the system and provides Login, Admin Login, Create Account, and How-To-Use access.

**Procedure highlight:** Main entry points.

**Expected result:** The user can complete this step and continue to the next role-specific workflow.

## 02 | Registration

Students and organizers create accounts with a unique email, a minimum eight-character password, and a permitted role.

**HIGHLIGHT:** Account fields and role selection

A screenshot of a web registration form titled "Create Your Account". The form is centered on a light blue background. It contains the following fields: "Full Name" (text input), "Email" (text input), "Password" (text input with a "Show" button to its right), and "Role" (a dropdown menu currently showing "Student"). Below these fields is a blue "Register" button. At the bottom of the form, there is a link: "Already registered? [Login here](#)". The entire form is enclosed in a red rectangular border.

**Procedure highlight:** Account fields and role selection.

**Expected result:** The user can complete this step and continue to the next role-specific workflow.

## 03 | Standard login

Students and organizers use the shared login page and are redirected to the dashboard for their role.

**HIGHLIGHT: Secure account login**

### Welcome Back

**Procedure highlight:** Pending, approved, and completed events.

**Expected result:** The user can complete this step and continue to the next role-specific workflow.

## 08 | Event creation

The organizer modal captures event details, capacity, fee type, ticket fee, and intercollege status.

**HIGHLIGHT: Create Event form**

The screenshot displays the 'Create Event' form, which is a modal window overlaid on the 'Organizer Dashboard'. The dashboard sidebar on the left includes a 'Welcome back, Demo Orga' message, the 'Organizer Dashboard' title, a 'Submit new events and manage' subtitle, a 'PENDING 0' status indicator, and a table of pending events. The 'Create Event' form itself contains the following fields: 'Title' (text input), 'Description' (text area), 'Venue' (text input), 'Event Date' (date picker), 'Registration Deadline' (date picker), 'Maximum Participants' (text input), 'Program Fee' (a dropdown menu set to 'Free' and a currency input set to '₹ 0'), and an 'Intercollege Event' checkbox. On the right side of the modal, there is an 'Add Event' button and a table with an 'Action' column containing 'Awaiting review' status and 'Mark Complete' buttons. The entire interface is framed by a red border.

**Procedure highlight:** Create Event form.

**Expected result:** The user can complete this step and continue to the next role-specific workflow.

## 09 | Administrator login

Administrators use a separate login portal for event review, PA calculations, and report exports.

**HIGHLIGHT: Dedicated administrator access**

### Admin Login
